(Autonomous College under VTU)

BENGALURU-19

Campus Information Booklet

Academic year 2015-16

August 2015

Message from Principal

Greetings! At the outset, I would like to congratulate for choosing BMSCE. Your batch has the distinction of being the 70th Batch of students entering the portals of BMSCE. This is BMSCE is completing seven decades of its journey of promoting engineering education.

I extend a warm welcome to each one of our newly admitted students. The next few years will be full of new challenges and determining how your academic career evolves. The dedicated faculty and staff shall guide you all the way through. Separate centres are in place to co-ordinate many co-curricular, extra-curricular & cultural activities, benefits of which you can avail. The Institution is committed to provide all necessary guidance and support.

I look forward to the opportunity to interact with you during the course of your study.

With best wishes,

Dr. K.Mallikharjuna Babu
PRINCIPAL

Brief Profile of the College

BMS College of Engineering (BMSCE) was Founded in the year 1946 by Late Sri. B. M. Sreenivasaiah, a great visionary and philanthropist and nurtured by his illustrious son Late Sri. B. S. Narayan. BMSCE is the first private sector initiative in engineering education in India. Started with only 03 undergraduate courses, BMSCE today offers 13 Undergraduate & 16 Postgraduate courses both in conventional and emerging areas. 15 of its Departments are recognized as Research Centers offering PhD/M.Sc. (Engineering by Research) degrees in Science, Engineering, Architecture and Management. Modernization, increased size and sophistication have not changed the basic philosophy of education at BMSCE.

Salient Features

- First private engineering college established in the Country
- Aided by Government of Karnataka
- First Institution in the state bestowed with NBA Accreditation in Tier I Format (Washington Accord)
- Accredited with 'A' Grade by NAAC with CGPA of 3.41/4.00 (Valid up to 2018)
- Affiliated to All India Council of Technical Education(AICTE), New Delhi
- Affiliated to Visvesvaraya Technological University(VTU), Belagavi, Karnataka
- Approved by Council of Architecture (COA), New Delhi
- Included under section 2f and 12B of the UGC Act 1956
- Approved as QIP Centre in Engineering & Technology by AICTE, New Delhi
- TEQIP Phase I and Phase II Institute (World Bank Funded Project)
- Partner institution of the Melton Foundation, USA which advocates Global Citizenship
- Granted Permanent Affiliation status by VTU, Belagavi, Karnataka
- Committed and supportive Management
- Qualified, Experienced & Dedicated faculty and staff

The College has the distinction of attracting meritorious students. BMSCE is the most preferred destination not only for students of the state but also from various parts of the Country. The College has one of the largest student populations amongst engineering colleges in Karnataka. Currently about 5000 students are pursuing their higher education at BMSCE. The academic performance of the students has been exceptional. More than 90% of the students secure first class/distinction. The Institution has an excellent Placement and Recruitment Cell. 90% of the eligible students are getting placed every year. The Institution has well-Qualified, Experienced & Dedicated faculty and staff members. BMSCE has the most advanced laboratories for practical training, state of the art computing facilities, spacious classrooms with good furniture and A/V aids, Wi-Fi campus and 24x7 internet facilities in the departments and hostels. The Institution has Collaborative & Extension Activities by way of MOUs with various Governmental and Non-Governmental organizations for fostering Academic/ Research/ Innovation. A strong alumni base of over 30,000 most of them occupying coveted positions in various Educational, Industrial and Research organizations. The college is being ranked consistently among the top engineering colleges in the country by surveys conducted by various media sources.

Recent Ratings

- Rated 13th among top 100 engineering institutes in the country by Times of India (2015)
- Rated 3rd amongst top 50 private Engineering Colleges by Times of India (2015)
- AAAA Grade by Careers 360 Magazine (2015)
- Bestowed with Campus Preparedness Award for Global Excellence; nominated by VTU (2015)

DEPARTMENT OF LIBRARY & INFORMATION CENTRE

The college has a voluminous computerized Library and Information Centre, which caters to the needs of students, research scholars and faculty. Housed in a spacious building spanning five floors, it has a seating capacity for 645 users at a time. The Library has a rich collection of 192890 Volumes of books comprising of 51387 titles. The digital library of the college provides online access to e-resources on Science, Technology, Engineering and Management subjects for Study and research.

The library has access to more than 9500 e-journals on various branches of Science, Technology, Engineering, Management and Architecture; this is in addition to 176 National and International printed journals. Apart from the central library, various departmental libraries also provide facility for immediate reference.

Main Library Opening Hours:

PLACEMENT & TRAINING CENTRE

The Placement & Training Centre provides career guidance and helps students in achieving their goals. More than 100 reputed Core/IT/MNC companies visit the campus every year for recruiting students from various branches. The Training Centre attached to the placement cell provides pre-placement training in soft skills to enable the students to get acquainted with the current corporate requirements. Well-equipped and furnished audio-visual rooms and seminar halls are provided to conduct interviews, pre-placement talks and training. The details of placement for the entire campus records are available at www.bmsce.in

Dean, Placement: Dr. H. S. Jagadeesh

Associate Dean, Placement: Dr. B. Ravishankar

BMS EDUCATIONAL TRUST HOSTELS

Full-fledged on campus hostel facility provide cozy atmosphere for students with all necessary comforts. Facilities like Reading Room, Television Room, Internet Accessibility, Gymnasium, Parking space for student vehicles are provided. The Hostel Mess is equipped with latest in-culinary amenities and the spacious dining hall. Separate Hostels are provided for Boys, Girls and International students.

INTERNATIONAL CO-OPERATION DIVISION [ICD]

The division was established in 1979 by Late Sri. B. S. Narayan to initiate innovative ventures at national and international levels and establish good relationship and linkages with outside agencies and foreign universities for exchange programmes that would contribute towards the advancement of science and technology in this country and will be of immense help for the students to interact and assimilate knowledge.

Governments of Malawi, Tanzania, Botswana, Nepal, Sri Lanka, Malaysia, Rwanda and others have been regularly sponsoring their students to BMS institutions. An International Hostel with all modern amenities is provided to the students. More than 1,500 international students have graduated from the portals of BMSCE since the inception of ICD.

MELTON FOUNDATION, USA

The Melton Foundation USA, founded in 1991 by Dr. William Melton (Founder President of Verifone Inc.) is committed to bring positive change in the world through a network of people from diverse cultures empowered by lasting bonds of friendship, open communication and mutual respect. The BMS Institutions is the only associate from India adopted by the Melton Foundation. The other universities are Friedrich Schiller University (Jena, Germany), Zhejiang University (Hangzhou, China), University of La Frontera (Temuco, Chile) & Dillard University (New Orleans, Louisiana, USA). Each year one of the partner universities hosts a 10-day series of activities focused on Global Citizenship. This conference attracts Melton-Fellows, faculty and leading Global Citizenship advocates, practitioners and experts.

RESEARCH & DEVELOPMENT CENTRE

R&D Center involves in identifying new research areas, developing projects leading to publications in National/International Journals and conferences. The Centre promotes Research & Innovation among the faculty & students. The Centre helps in developing co-operative and complimentary research among various departments of BMSCE to explore advanced technologies. The Centre holds periodical review meetings on the progress of research being carried out for Ph.D. as well as of the funded projects. The Centre also guides in writing projects, scientific papers leading to publication as well as in identifying results of research for filing patents.

Since getting Autonomous Status during AY 2008-09, the institution has been provided with an excellent opportunity to create, revise, redesign or introduce innovations in curriculum. A concept of integrated course has been introduced. Integration of practical component in addition to theoretical part of the course has enhanced the learning ability of the students.

Threading this path, the Institution foregrounded the concept of research amongst the students from first year of their study. Necessary environment and facilities were created. Centralized labs/design centers titled propel labs were established. These labs are broad based and not confined to a single area/discipline. Student groups (multidisciplinary) work on various engineering projects in these labs – concept, designing to making the prototype. The Propel labs are open for students of all disciplines with no terms or conditions attached. Each Lab is headed by a faculty and supported by competent technical staff who volunteer to act as mentors for the students and ensure that students conduct the research. Currently about 300 students are working in these labs. Creative thinking skills of the students and mentoring by faculty, result in development creating systematic processes and products. These research labs help the students to build prototypes which enable them to participate in competitions both in India & Abroad.

The following innovative Propel Labs have been set up to promote Research Interest among the students:

Propel Lab – I	Robotics & Embedded Systems
Propel Lab – II	3D Printing
Propel Lab – III	Aircraft/Aerospace applications
Propel Lab – IV	Automotive
Propel Lab – V	Project Based Learning (in association with WIPRO-UTLP)
Propel Lab - VI	Renewable Energy and Sustainable Development

Director, R& D Centre

INDUSTRY INSTITUTE INTERACTION CELL [IIIC]:

The Industry Interaction Cell facilitates exchange of ideas amongst students, faculty, and the industry. The prime objective of this cell is to strengthen the relationship between the institute and industry resulting in a mutually beneficial partnership. This Cell is very keen in collaborating with industrial organizations for working on various problems of mutual interest by entering into MoU's, conducting Faculty development programs, Industrial visits, Training students in association with industry, Working model competitions, Technical paper presentation, Workshops, Seminars by Industry Experts.

Convener IIIC: Dr. M. Indiramma, Professor-CS

ENTREPRENEUR DEVELOPMENT CELL:

The Cell provides career-oriented education to the students so as to equip them with requisite, qualification and training. This will enable them either to take up a gainful employment or start their own enterprise and become Entrepreneurs.

Head of the Cell: Dr. S. Nagendra, Dean, Management

SPORTS & CULTURAL ACTIVITIES

SPORTS FACILITIES: In order to encourage multi-dimensional growth of students, the college provides top-notch sports facilities including sophisticated Gym. The college provides all necessary support and facilities to motivate the students to achieve excellence in their pursuits.

SPORTS TEAMS:

Archery, Athletics, Badminton, Ball Badminton, Basket Ball, Boxing, Chess, Cricket, Cross Country, Cycling, Fencing, Foot Ball, Hand Ball, Hockey, Kabaddi, Kho-Kho, Net Ball, Soft Ball, Swimming, Table Tennis, Tennis, Throw Ball, Volleyball, Weight Lifting, Power Lifting & Best Physique, Wrestling, Judo & Gymnastics, Yoga & Youth Festival

Director, Physical Education: Dr. M Shivarama Reddy

CULTURAL FORUM: The cultural forum provides platform to the students to exhibit their talent in different forms of art, culture, literature, theatre etc. Like in academics, the college has earned laurels in the field of sports and cultural activities.

CULTURAL TEAMS:

MUSIC- Classical Vocal Solo - (Hindustani or Karnataka), Classical Instrumental Solo (Percussion - Tal Vadya), Classical Instrumental Solo (Non- Percussion - Swar Vadya), Light Vocal (Indian), Western Vocal (Solo), Group Song (Indian), Group Song (Western), Folk Orchestra

THEATRE- One Act Play, Skit, Mime, Mimicry

FINE ARTS- On the spot painting, Collage, Poster Making, Clay Modeling, Cartooning, Rangoli, Spot Photography, Installation

DANCE- Folk/Tribal Dance, Classic Dance (Indian)

LITERARY- Quiz, Elocution, Debate

The student achievers in sports and cultural events are felicitated with incentives and scholarships every year.

Chairperson: Dr. Mamatha P Raj- Dean-AT

NATIONAL SERVICE SCHEME [NSS] CELL

In a concrete attempt to make the campus relevant to the needs of the community and with a view to developing healthy contacts between the students and teachers [on a voluntary basis] on one hand and establishing a constructive linkage between the campus and the community on the other hand, the Institution has established a NSS [National Service Scheme] Cell. The Cell conducts regular NSS activities and special camping programmes.

Coordinator, NSS Cell: Sri. Hadagali Ashoka, Faculty-BT

NATIONAL CADET CORPS [NCC]

The BMSCE-NCC Unit has been established with an aim to develop qualities of character, courage, Discipline, Leaderships, Secular outlook, Spirit of adventure, Sportsmanship and ideal of selfless services among the students and make them useful citizens of the nation.

Co-ordinator: Dr.S.Ashok Kumar, Faculty-BT

INTERNAL QUALITY ASSURANCE CELL [IQAC]

BMSCE has been accredited by National Assessment & Accreditation Council [NAAC] with CGPA of 3.41 on four point scale at 'A' grade valid from 05.01.2013 and upto 04.01.2018. As per the guidelines of NAAC, an Internal Quality Assurance Cell [IQAC] has been constituted as a post-accreditation quality sustenance and enhancement measure to promote measures for institutional functioning towards quality enhancement through internalization of quality culture and institutionalization of best practices.

Director: Dr.Suresh Ramaswwamy Reddy, Professor-CV

DATA CENTRE & CAMPUS WIDE NETWORKING

The Data Centre monitors the Campus Wide Networking (CWN) facility of the institution for ubiquitous network connectivity throughout the campus. At present CWN is having two redundant high end carrier class core switches and about one hundred access switches. The Connectivity between the core switch to the access switch is through multimode fiber optic backbone. The existing bandwidth is 150 MBPS with redundant internet links to cater to the internet requirement of the campus. In addition to the thirteen blade servers installed in the data center to meet the computing requirement of 4000 nodes, a state of art digital repository has been installed. Campus intranet has paved way to provide access to e-journals and software. The Data Centre also hosts e-mail and web servers of the institution. Additionally the CWN is supplemented with mobility aware wireless connectivity across the campus to enable the seamless connectivity of wireless network enabled electronic gadgets of students and staff. APNIC, of which BMSCE is a proud member, has allotted 510 static IP addresses.

Chief Coordinator: **Dr.Gowrishankar, HOD-IS**

GRIEVANCE REDRESSAL COMMITTEE (GRC)

The Grievance Redressal Committee has been constituted with the following composition to consider and redress the grievance of aggrieved student/s, parents & others. The aggrieved student/s, parents and others may represent their grievance to the convener of the Committee either in writing or email to grieveredressal@bmsce.ac.in.

SNo.	Name	Designation	Role
1	Dr.G.N.Sekhar	Vice-Principal	Chairman
2	Dr.Ravi Shankar Deekshit	Prof. & HOD-EE	Member
3	Dr.S.N.Mayanayak	Professor-CV	Member
4	Mrs.Shaheen Shariff	Faculty-MBA	Member
5	Sri.Tejaswi Patil	Faculty-MBA	Member
6	Dr. Mamatha P.Raj	Professor-AT	Convener

WOMEN CELL [WC]

The Women Cell has been constituted with the following composition to consider the redressal of Woman Staff and Girl Student Grievances.

1	Dr.Samita Maitra	Professor & HOD-CH	Chairperson
2	Smt.K.Vijayalakshmi	Faculty-ML	Member
3	Smt.V.N.Shailaja	Faculty-IM	Member
4	Smt.Anjana Parua	Faculty-IT	Member
5	Dr.K.Sandhya Reddy	NGO Nominee	Member

ANTI-SEXUAL HARRASSMENT COMMITTEE (ASHC)

The Anti-Sexual Harassment Committee (ASHC) has been constituted with the following composition to consider the redressal of complaints of Sexual Harassment

1	Prof.Muthamma	Director, BMSCW, Bengaluru	Chairperson
2	Dr.K.R.Sandya Reddy	President, Karnataka Lekhakiyara Sangha 1044, 4 th Main, 8 th Cross, Srinivasanagar, Bengaluru-560050	Member
3	Dr.B.Kanmani	Prof & HOD-TE	Member
4	Ms. Nirupama Mohan	Faculty-ME	Member

PROHIBITION OF RAGGING IN THE COLLEGE & HOSTELS

The Institution follows the policy of zero tolerance to ragging. The Institution adheres to the guidelines of AICTE, UGC, VTU and other apex bodies in this regard. The UGC guidelines has clearly noted that "It is mandatory for every student and his/her parents to submit an anti-ragging affidavit at the time of first admission and there after each year at the time of annual registration. Every Department shall maintain a proper record of the affidavits obtained to ensure its safe upkeep thereof".

Anti-Ragging Committee:

1	Dr.K.Mallikharjuna Babu Principal (9886021095)	Chairman
2	Dr.G.N.Shekar Vice Principal (9845184215)	Member
3	Dr. B.V.Ravishankar Dean First year BE (9945517699)	Member
4	Head of the Department	Member
5	Sri. B.Rajaneesh Kumar Secretary, BMSETH (9449766045)	Member
6	Student, VII Semester	Member
7	Student, V Semester	Member
8	Inspector of Hanumanthanagar Police Station	Member

In addition, the Anti Ragging Vigilance Committee [ARVC] and the Anti-Ragging Vigilance Squad [ARVS] are also in place.

STUDENTS CODE OF CONDUCT

PREAMBLE: This Code of Conduct prescribes standards of personal and professional conduct which shall be maintained by all the students.

OBJECTIVE: The objective is to provide a clear set of guidelines how students are expected to conduct themselves in their day-to-day work and how they are expected to behave towards each other.

- Students are required to carry their identity cards at all times. They may be asked to produce the identity card on demand by personnel authorized for purpose of identification.
- Students should keep themselves abreast of day to day activities of the Institute and abide by all communications put up on the notice board / website.
- A student shall wear clean and decent dress while on the campus.
- In the event of cancellation of any academic session, students are required to do self-study in Library / Computer Lab, unless such sessions are substituted by any other session / activity. No student will be seen loitering around when the scheduled classes are on.
- Participation in co-curricular activities shall not be considered as an excuse for lack of attendance, unless otherwise permitted by the College.
- Students should not leave any items (books, bags, instrument cases & other related items) unattended. The Management is not liable for any losses.
- Causing any kind of damage to the Institute property, library books, periodicals, computers, benches or anywhere is an act of indiscipline. Such acts will attract severe punishments and students will have to make good the losses.
- Indulging in ragging in any form within the campus/outside the campus or in hostels is strictly prohibited. Acts of ragging will result in rustication from the College. In addition, as per Supreme Court directive, Ragging is a cognizable offence punishable under IPC. A police Case will be registered against such student(s). The College authorities will not take any responsibility if any student is booked by law-enforcing authorities in case of Ragging.
- Indulging in eve-teasing/sexual harassment within the campus/outside the campus/in hostels etc, will result in rustication of such students from the College.
- Indulging in Malpractice in any examination (CIE/SEE) will automatically disqualify the student from the examination and it may result in the student being expelled/debarred from the College.
- The students shall abide by all teaching learning, examination and assessment, Placement, Library & Information and administrative service regulations as prescribed by the college.
- The student shall desist from any disorderly conducts like distract students from learning, threatening or causing physical harm to any person, being under the influence of drugs or alcohol, unauthorized entry or use of college facility etc. Any student found to have violated these norms will be subjected to disciplinary actions set forth.
- The students shall submit their requests (if any) in writing in prescribed forms which they can obtain from the respective departments, office or can be downloaded from the website [www.bmsce.in].
- The Student shall abide by regulations, policies and procedures. Each student shall conduct himself/herself in a manner befitting his/her association with the college/institute. He/She is expected not to indulge in any activity, which is likely to bring disrepute to the institution.
